Hire fee includes:

Comprehensive insurance & roadside assistance. Mileage charges run from mile 1, no included miles.

Hirer is responsible for mileage charge as shown, and also for damages up to the insurance excess.

Excess is taken on credit or debit card (or cash), and credited at the end of the hire period subject to any damages and to the appropriate mileage charge.

Roadside assistance is provided by the AA (biggest UK provider) and includes a short recovery service, available from most of mainland Britain. Particularly remote locations and/ or longer recovery journeys and recovery back to our base may incur extra charges payable by the hirer at the time they are required. These extra charges, when and if required, can be made refundable by us for a waiver fee of £7.50 per hire day when paid at the start time of the hire. For the avoidance of doubt, cost of recovery to our base over 50 miles is the hirer's responsibility unless this fee is paid. Cost of recovery up to 50 miles is included.

Hire is restricted to mainland Britain and the Hebridean Islands (eg. Skye, Lewis, Mull, Arran) and specifically excludes Ireland (North or South), The Isle of Man, Shetland, Orkney or anywhere in Europe.

A maximum age of 75 years applies to all bike hirers.

Motorcycle hire

Customer acceptance criteria for insurance (updated 9th January 2017)

Motorcycle hire rates include fully comprehensive insurance subject to an excess as specified and for which the hirer is liable. The insurance is bought strictly in 24 hour blocks ie. it will expire a multiple of 24 hours after inception depending on the number of days bought. Extensions can only be bought in 24 hour lots. The hirer must comply with the following:-

- 1) age limit; specific to bike, see hire fees
- 2) hold a valid full UK motorcycle licence or learner licence and CBT, or foreign full motorcycle licence. Except for bikes under 250cc, UK licence holders must have had at least two years regular driving experience (ie. hirer must have held a valid full car or motorcycle licence for at least two years preceding start of hire). Foreign licence holders must ALWAYS have at least two years experience as fully licenced drivers.
- 3) driving licence must be presented for Cupar Motorcycles to copy. The licence is not acceptable if it shows an address other than the hirer's current address. Two additional proofs of address are required such as a bank statement or utility bill dated within the last three months (not mobile phone bill). UK licence holders must also advise us of their National Insurance number to facilitate a licence check.

Where no photocard licence is available we require an alternative photo ID such as passport, AS WELL AS the licence. Foreign licence holders must always produce a passport for id, as well as two additional recently dated proofs of address, AND a valid driving licence showing appropriate entitlement.

- 4) A hirer under the age of 22 must be free of any convictions or accidents except for proven non-fault accidents. The maximum age of any hirer on day of commencement is 75 years old.
- 5) For persons aged at least 22 years no hire is possible where the hirer has been disqualified in the last 24 months, OR has had within the last 5 years:-
 - Any three or more convictions (inc. speeding)

- 7) No hire is possible for any person who has had insurance declined and/ or refused and/ or insurance cover cancelled by any motor insurer. Or has had any special terms imposed as a result of a claims experience, OR has ANY criminal convictions.
- 8) No hire is possible where the hirer is engaged in any of the following professions:-
 - a) food delivery services (if the insured vehicle is being used for the purpose of business)
 - b) bookmakers, turf accountants, gambling industry, fruit machine, casino or club employees

 - d) professional sports persons. e) professional models
 - f) publicans or persons working in the licence trade g) street and market traders
